Welcome to our pastry and cuisine atelier...

For over 90 years Cele has been a popular meeting spot. We believe there is almost no one who has been in Dubrovnik and didn't have at least cup of coffee at our place. So many people every day enjoy morning, daily or night moments.

This long tradition started in 1932 when Celestin – Cele Šikić – founded the bar, where people could have cake, coffee or homemade biscuits. During the years it has been a famous place in the city, due both to its position and its ever-delicious offers.

Order & enjoy in our **CELEbration** cocktail ALL day!

IA: Good choice for a stop in old town Dubrovnik. Located right in Stradun it provides an excellent front row view. Menu offers a variety of casual dishes to choose from. Service was very good.

Karla K.: A real gem in Dubrovnik! Best cocktails, food and view! Lovely atmosphere but especially the warm and welcoming staff! They consider all of your wishes and exceed them :) Absolutely recommend coming here!

Ret T.: Many places to choose from in this stretch, and they all look great, but seems we found an excellent one! Perfect spot for some awesome food, refreshing cocktails, of course a couple of cold beers, a great view. Excellent service too!

Grimbsy: Visited a couple of times while on holiday, first time was for drinks in an afternoon to cool down, was lovely to sit and people watch, we visited again for drinks at night and the 3rd time for a meal, meal was very nice and large portions, a lovely laid back bar with friendly staff and a nice atmosphere.

Beinheim: Very well located on the large square in front of the clock, beautiful large terrace, we stayed there long enough for a lunch break, fast and welcoming service, excellent cocktails as well as a cheese platter. I recommend without hesitation.
